number of multiple jobholders.

NOTE: Data refer to the sole or principal job of full- and part-time workers. Excluded are all self-employed workers regardless of whether or not their businesses are incorporated. Detail for the above race and Hispanic-origin groups will not sum to totals because data for the "other races" group are not presented and Hispanics are included in both the white and black population groups.

Data refer to members of a labor union or an employee association similar to a union.

2 Data refer to members of a labor union or an employee association similar to a union as well as workers who report no union affiliation but whose jobs are covered by a union or an employee association contract.

3 The distinction between full- and part-time workers is based on hours usually worked. Beginning in 1994, these data will not sum to totals because full or another programment time status on the principal line is not identifiable for a small
